Art. 1
In compliance with the provisions set forth by the Romanian Law on national education no. 1/2011, as subsequently amended and completed, the Romanian Government Emergency Ordinance no. 194/2002 and the University Charter, „Victor Babeș" University of Medicine and Pharmacy of Timisoara provides both free education courses within the limits of the overall number of students approved on a yearly basis by the Romanian Government and tuition-fee based courses.

Art. 2
A student may benefit from budget-funding for no more than one bachelor's degree program and/or one master's degree program as well as for just one doctoral program.

Art. 3
(1) For all under- and post-graduate academic cycles, the tuition fees are approved by the University Senate on an annual basis, under the university's own admission regulations, at the same time, such tuition fees are duly notified to all under-graduate, post-graduate and doctoral students prior to the beginning of the new academic year, within the term prescribed by the laws in force.
(2) Under no circumstances shall the amount of the tuition fees be modified or otherwise changed during the academic year.
(3) The amount of the tuition fees shall not be modified or otherwise changed until the end of the academic year unless certain circumstances that impose the extension of the school term occur, as stipulated by the laws in force.

Art. 4
(1) Students enrolled in the tertiary education (all programmes following the Bologna-three-cycle structure) provided by "Victor Babeș" University of Medicine and Pharmacy of Timișoara, as well as all doctors enrolled in various specialization (fellowship) programmes are bound to pay the relevant tuition fees, under the conditions prescribed by this Regulation, the study contracts as well as by the University's internal policy.
(2) The study contract regulates the student's financial obligations as approved by the University Senate and stipulated by the Regulation on the university tuition fees and other fees, as well as by other rules and methodologies. The Study Contract form as well as the form of the Addendum to the Study Contract shall be approved on an annual basis by the University Senate, prior to the beginning of the academic year, being endorsed as legally valid and financially eligible from the preventive auditing perspective, by the University Legal and Financial-Accounting Departments.
(3) Where the standard training term, as provided for by the laws in force, is exceeded due to grade repetition(s), studies resumption(s) if academic interruption occurred or due to re-enrolment after expulsion or withdrawal, a new study contract shall be entered into under the terms and conditions determined by the university on the date the contract is signed and the amount of the tuition fee shall be set at the level of the tuition fee afferent to the academic year for which the student is enrolled.
(4) The costs related to exceeding the standard length of the tuition-free education programme, as provided for by laws in force, where the term of the doctoral study programme is extended by 1-2 years, shall be borne by the doctoral student. The amount of the tuition fees shall be determined by the University Senate, according to this Regulation, Attachment no. 1.

Art. 5
(1) The amount of the tuition fees shall be determined by the University Senate, according to this Regulation, Attachment no. 1.
(2)
(3) The fees charged for students' enrolment, re-enrolment, re-sitting for different exams and / or other tests, which exceed the provisions of the curriculum, the fees related to other activities which are not included in the curriculum as well as any other fees, shall be determined by the University Senate, according to this Regulation, Attachment no. 2.
(4) All tuition fee- related debits in foreign currency are entered into the accounting records according to the euro / leu reference exchange rate as of August 1st of the current year, valid until July 31st of the following year.

Art. 6
(1) With reference to **all** under- and post-graduate study cycles, during the **first academic year** (more exactly, upon the enrolment process), the tuition fee shall be paid **in full** within the terms prescribed by the university's own admission methodology. Failure to pay the tuition fee within the deadline set by the University board shall lead to the loss of the academic place.
(2) Starting with the second year of studies, for **all** under- and post-graduate study cycles, students may pay the tuition fee(s), as follows:

a. in full, during the first month of the academic year, as per the amount of the tuition fee set out by Attachment 1,

Head office.:P-ța Eftimie Murgu nr. 2, Timişoara,
Postal code: 300041, Romania
Tel: (40)256293389; Fax: (40)256490626
E-mail: rectorat@umft.ro; www.umft.ro

b. in two equal instalments, during the first month of each semester, according to the amount of the tuition fee set out in Attachment 1, to which a 10% of the overall amount of the tuition fee (5% during the first semester and 5% during the second semester) shall be added.

Art. 7

(1) After the one-month deadline, as stipulated by this regulation for the payment of the tuition fees, according to the relevant accounting records, has elapsed, the University shall be entitled to expel the students, the master's degree students and the doctoral students who failed to provide a proof regarding the payment of the tuition fee within established term.

(2) The students shall be eligible for re-enrolment during the following academic year, provided that the payment of both the tuition fee(s) related to the year of study for which the re-enrolment is requested, a re-enrolment fee has been made.

(3) In case of expulsion of students, master's degree students and / or doctoral students, the University is entitled to recover all amounts of money owed by that particular student up to the date of expulsion and / or any other applicable material damages.

Art. 8

(1) The tuition fee(s) shall be paid in the national currency (i.e. Lei), at the University cashier's office or by wire transfer, into the University account opened with TREZORERIA TIMIȘOARA: RO21TREZ62120F330500XXXX, fiscal code: 4269215, with the following mentions: „*tuition fee - student's full name, year of study, study program*".

(2) The payment of all tuition fees related to the first year of studies shall be made under the terms and conditions provided by the Regulation / admission methodologies.

(3) The payment of tuition fees determined in foreign currency, i.e. for students enroled in various study programmes that require instruction in a foreign language, as well as for students from third countries which are not members of the European Union, the European Economic Area or the Swiss Confederation, shall be made by wire transfer, into the university's account no.: RO53BTRL03604202A6896600 opened with Banca TRANSILVANIA SA, Baroque Branch, Str. Lever no. 2, Piața Unirii, SWIFT / BIC Code: BTRLRO22TMA, with the following mandatory mentions: "*tuition fee - student's full name, year of study, Faculty / study programme*".

Art. 9

(1) The tuition fee afferent to the complementary year shall be paid directly proportional with the number of outstanding credits, however without exceeding the equivalent value of 60 credits in relation to the level of the tuition fee applicable to the study year for which the student has submitted his/her enrolment application. Outstanding credits shall mean all outstanding credits accumulated within a study cycle, and which have not been gained on the date of application for enrolment to the complementary year.

(2) When resuming the studies, the students who are enrolling in the complementary year and the students who have interrupted their studies shall pay the tuition fee at the level of the tuition fee afferent to the year of study for which the students have submitted their enrolment applications, as per the terms and conditions of the new contract.

(3) Foreign students who are non-EU citizens and who are paying for their courses using their own national currencies, shall not be subject to the provisions set forth by this Regulation. The tuition fee corresponding to the complementary year shall be at the level of the fee applicable to the study year for which the student enrols, in the amount determined by the University Senate under this Regulation.

(4) Where the foreign students who are non-EU citizens and who are benefiting from scholarships granted by the Romanian state, repeat a year of study, they shall be bound to pay the tuition fee (in foreign currency) corresponding to the year of study they are repeating.

(5) Where the Romanian students from all over the world, who are benefiting from scholarships granted by the Romanian state, repeat a year of study, they shall be bound to pay the tuition fee (in lei) corresponding to the year of study they are repeating, under the same conditions as the Romanian citizens.

Art. 10

(1) Students who have been repeating a year of study and who have not gained the number of credits required to successfully pass the year due to medical reasons shall attend the complementary year with no need to pay any tuition fees, provided that they paid the full tuition fee afferent to the year when the interruption of studies for medical reasons occurred.

(2) In light of the sub-item 1 above, the students shall submit proving medical documents which are to be analysed by the Dean's Office and the University's Board of Directors according to the provisions of the Regulation on organising and carrying out the teaching activities for undergraduate programmes.

Art. 11

In order to sit for the exams afferent to the subjects with outstanding transferable credits, the students shall be bound to pay the fee determined by the University Senate under this Regulation.

Art. 12

(1) Students who, during the complementary year, ask for credits in advance, shall pay the tuition fee applicable to the complementary year, in full.

(2) Gaining the credits in advance for a year of study shall not be followed by a reduction in the tuition fee applicable to that year.

Art. 13

(1) The student who requests his/her withdrawal / interruption of university studies shall be bound to pay the full tuition fee for the ongoing year.

(2) Under no circumstances shall the tuition fee paid for the current year be refunded if any of the following circumstances occur: withdrawal, interruption of university studies or expulsion.

(3) For the students enrolled in the first year of study and who have signed a study contract but who are withdrawing / interrupting their studies, prior to the release of the enrolment decision, the tuition fee shall be refunded, upon the written request of that student, as of the date of the approval of such request by the University's Board of Directors.

(4) In order to have the tuition fee refunded, the student shall submit an application according to Attachment no. 3 of this Regulation to the Financial-Accounting Department - Student Fees Office, via the University Registry. The Financial-Accounting Department shall refund the tuition fee within 30 days as of the date the application is duly registered.

(5) In case of expulsion, except for the circumstances when the expulsion occurred due to the failure to complete the enrolment process, the tuition fee paid for the ongoing year shall not be refunded.

(6) The tuition fees paid shall not be reimbursed to the doctoral students who are applying for withdrawal and/or who are subject to expulsion procedures and/or who are transferred to other higher education centres that are providing doctoral study programmes.

Art. 14

(1) „Victor Babeș” University of Medicine and Pharmacy of Timișoara charges application fees for organizing and carrying out the admission proceedings, in the amounts approved by the University Senate via its own admission methodology, in accordance with the legal provisions in force.

(2) The exemption from paying such application fees in relation to the admission contests or the reduction thereof shall be approved by the University Senate, via this Regulation, respectively under its own admission methodology, for:

a) the children of the operational and /or retired teaching staff and/or auxiliary teaching staff;
b) the orphans of both parents;
c) the candidates from orphanages or foster care families;
d) the children of the personnel employed with “Victor Babeș” University of Medicine and Pharmacy of Timisoara;
e) other special circumstances, provided that the approval of either the admission board or the rector of the University has been previously obtained.

Art. 15

Upon admission to "Victor Babeș" University of Medicine and Pharmacy of Timișoara, irrespective of the study cycle and programme, the citizens of the EU Member States and/or the states belonging to the European Economic Area and/or the Swiss Confederation shall be subject to the same conditions provided by the applicable laws for the Romanian citizens, including in terms and conditions regarding the tuition fees.

Art. 16

The students who completed their studies shall be entitled to sit for the graduation exams organised in subsequent exam sessions than those already planned for the classes of such students, provided that they pay the costs related to the organisation of these additional exam sessions, in the amount determined by the University Senate under this Regulation.

Art.17.

(1) This Regulation, amended and endorsed during the meeting of the University Senate on **05/27/2020**, in accordance with the provisions set forth by the National Education Law no. 1/2011, as subsequently amended and completed, as well as pursuant to the provisions of the Government Ordinance no. 22/2009, endorsed under the Law no. 1/2010, shall apply to all students of "Victor Babeș" University of Medicine and Pharmacy of Timișoara, enroled in all third cycles, as well as to all postgraduate and resident students..
